Dolphin Dreamtime

A visualisation based on Australian Aborigine lore that takes the listener into the world of the dolphins. Widely used therapeutically for stress release, insomnia, depression, pain relief and numerous other applications.

SERIES OF DVD - FILMS

Bewitched by a Dolphin

An enchanting story about a wild dolphin off the Welsh Coast with an introduction by Horace Dobbs

The Dolphin's Touch

A compelling and uplifting film of the effect encounters with a wild dolphin off Ireland have on three people with clinical depression

Ride a Wild Dolphin

The classic groundbreaking film of Horace Dobbs with Donald the dolphin filmed off St Ives in Cornwall

A Closer Encounter

Horace and the crew of a sailing catamaran conduct scientific studies on a friendly wild dolphin amidst treacherous rocks off Brittany.

Cruising, Diving and Dolphins

An entertaining interview with Cruise Director Richard Sykes during which Horace Dobbs introduces clips from some of his pioneering, prize-winning films about dolphins and the undersea world.
