

Dilo and the Call of the Deep

The undersea world is a magical place for Dilo the dolphin. Everywhere he goes there is something new to see and discover. His mother shows him how to use his magic sound before they set off together on an adventurous journey.

Reviews

Once I started it I couldn't put it down - **Lauren Bailey**

A magical book from a fellow diver who really knows the dolphin's world - **David Bellamy**

Dilo Makes Friends

The second Dilo story about a young dolphin who continues his adventures when he travels to a large bay where he meets Debra - his first human friend. They become close companions and have many adventures together. Tension rises when the boat *Sea Wolf* arrives.

Review Remarkably informative & attractively illustrated, Dilo's antics will delight young juniors - **Junior Education**

Dilo and the Treasure Hunters

Dilo and his special friend, Debra, discover a gold ring and an ancient shipwreck on the seabed. When their secret is discovered they become caught up in a dangerous adventure with a gang of ruthless divers who are crazed with gold fever and use explosives to loot the wreck.

Review I have over 100 books and I've never read such a brilliant book as Dilo. It is just like the real thing - **Hannah Redshaw age 9¼**

Dilo and the Witch of Black Rock

The day after she dreams that the Witch of Black Rock has cast a spell over Dilo, Debra discovers that her dear dolphin friend has disappeared. When she eventually finds out what has happened to him Debra sets off to get the dolphin returned to where he belongs – free in the open sea.

Review The Witch of Black Rock is an enchanting story that will be relished by children and adults alike - **David Bellamy**

Dilo in Lighthouse Bay

Where a fire on a huge oil rig puts him in mortal danger. When his mother dies, Dilo discovers he has a special mission. And that is why he has a star on his dorsal fin.

Review I love the way the Author captures the spirit of the dolphin. When I read about Debra swimming with Dilo I feel I am down there with her - **Kris Simpson**

Dilo and the Isle of the Gods

This is another epic adventure story in which Dilo shares his daring escapades with a passenger - a sucker fish, who has stuck herself to the dolphin for a free ride. The companions set out to rendezvous with a turtle on a beautiful but dangerous island where powerful gods live causing volcanoes to erupt.

Reviews

I love reading the Dilo stories to my grandchildren - **Poppie Adam**

Ideal for introducing kids to the undersea world. Hugely entertaining and cleverly educational - **Bernard Eaton – Diver Magazine**

Dilo and the Secret of Atlantis

The arrival of a stray pelican in Lighthouse Bay starts a chain of events that leads Dilo the dolphin into a series of gripping adventures.

Reviews

A brilliant follow-up to the first six Dilo books - **Jackie Connell**

I would give this book 9/10 and would recommend it for boys and girls aged 7 – 12. The author cleverly combines: ecology when discussing the dolphins and the environment, science fiction in the form of time travelling and an adventure into one amazing book - **Jonathan Leeming aged 9**
